Brumby Junior School - School Lunch Policy

Overview

The purpose of this policy is to create a series of expectations and protocols for the children, parents and staff at Brumby Junior School. The policy will set out explicit processes which will take place to ensure that pupils are provided with adequate calorific intake to get them through a day at school.

School expectations

- School will provide a hot meal for those pupils who have paid in advance
- School will provide seated (with a table) indoor and outdoor (as appropriate) spaces for all pupils to sit and eat their lunch, be it a hot meal or a meal brought from home
- School will register pupils who eat a school meal
- School will contact parents of pupils who have registered for a school meal when they do not have sufficient funds in their online account
- School will send out a text to parents whose online accounts are not up to date to remind them that their account needs to be topped up.
- If no payment is received after reminders have been issued, pupils will be given toast, fruit and water. Nobody will be refused food.

Parental expectations

- Parents will keep their online account up-to-date
- Parents will provide a packed lunch for pupils who do not have sufficient funds in their online accounts

Pupil expectations

- Pupils will do their best to register correctly for either packed lunch or school dinner
- Pupils will not attempt to have a school dinner if they have not registered or paid for it
