

Brumby Junior School

Sport Premium Funding Expenditure Report 2016-2017

School Sport and Activity

At Brumby Junior school, we have always provided a rich and varied range of sports and activities through lessons or as clubs. Our teaching staff receive high quality training from our own in-house PE experts, and they also have some sessions working alongside specialist PE coaches. All children experience a range of physical activities, games and can take part in a number of sports events during the year through our school-sports-partnership. These focus sports include tag rugby, triathlon, cross country, football, athletics, netball, multi-skills, cricket and rounders. Children who exhibit a talent in these events are signposted to local clubs, with many of our pupils having success in sporting and other physical activity competitions.

What is the Sports Premium Grant?

The Sports Premium Grant is additional funding from the Government to improve the provision of physical education and sport in primary schools. It is also to be used for improving the health and wellbeing of primary pupils.

How much is the Sports Premium Grant?

Allocations for the academic year 2016-2017 are calculated using the number of pupils in Years 3 to 6, as recorded in the January 2016 census.

At Brumby Juniors we received £10336 for the academic year 2016-2017. We show these figures in red below. We also funded PE provision ourselves – with figures shown in green.

How is the Sports Premium Grant being spent?

This grant is being used to improve provision for all of our pupils in the following ways:

2016-2017 Sports Premium Grant Action Plan and Outcomes

Item / Action	Cost	Objective	Impact
Scheme of Work - plus copies for all year groups – Rawmarsh scheme of work (x2)	£320	To ensure staff have the resource to deliver high quality PE lessons	Staff more confident in delivering the curriculum. SLT can be sure that curriculum is of a proven high quality Monitoring required to ensure that best sequence of lessons is adapted from the plan (2 nd year)
Membership of School Sports Partnership	£2000	More pupils have access to sports training Increased access to competition	Huge range and variety of competitive and non-competitive sports events accessed – this to be increased in 2017/18 Training accessed – also to be increased 2017/18
Transport for competitions	£400	To give pupils access to out of area athletics competitions	Hull finals event accessed (and won!)
Intra school competition	£0	To begin to instil the intra school programme in school, using class -v- class events at lunchtimes on key days Sports-day equipment Medals/rewards/stickers	In as a zero cost value – staff costs incurred but not isolated – this series to be launched during Spring term 2017 (as soon as yard/field ready) School records created – mixture of indoor events and outdoor events board created for pupils who wish to compete: skipping, speed bounce, target throw (distance), height reach jump, outdoor darts, standing long jump, plus more
Promoting physical activity and healthy lifestyle	£150	P.E Library 5 x bags per year group	Children and families taking part in physical activity at home.

Playground Leadership (Sport Force) equipment	£480	To provide Sport Force with equipment for playtimes	Sport Force has responsibility to lead and promote physical activity at lunchtime and breaktime. Wide range of equipment used to support physical activity at playtimes and lunchtimes.
Outdoor gymnasium	£19000 (£6986) SP grant	To increase physical activity for pupils – pupils can opt in and are shown extension activities	Pupil use planned to be high as this was a solution requested by the pupils, through the school council
Playground markings	£5000	To give wider scope for creative outdoor play - pupil led with equipment	Initial use high – retraining playground leaders frequently is the key to success here in terms of sustained usage
Smoogas	£16000	To enable lessons and clubs with ball-sports to take place more effectively; to keep ball sports available safely with 480 junior pupils at breaktimes	Increased numbers of pupils active; leadership skills improving in organisers; PE lessons more effective (and more effectively timetabled, since we lost 1 hall in the new-build)
Additional tarmac	£26000	To enable playtimes to facilitate more physical activity	PSBP new build left us with no surface on majority of the playground – no option but to invest in a new surface to prevent patchwork and dangerous surfacing
Employment of specialist PE teacher to arrange PE scheme planning, coach individual teachers and arrange clubs and competitions – ran from April to Sept	£13387 (x1.29) = £17269	To lead Sports across the school and monitor PE premium effectiveness	Overview and monitoring of the subject and PE Premium PE has a high profile across the school. Regular updates on Academy blog 'Sports News'. All staff follow PE schemes of work with effective long term PE curriculum in place Staff more confident in delivering the curriculum. Increased number of after school clubs accessed by more children

		<p>Links made to clubs in the Scunthorpe Community – athletics, football, dance clubs well linked</p> <p>Sports competitions organised for Years 3 to 6</p> <p>Children's leadership skills developed through Playground Buddies (Sport Force – headteacher trained)</p>
Total spend on PE	£77327	

In 2017/18 we plan to invest heavily again in our PE provision

Please see our plan for this academic year via the link at the top of the page.

To achieve our vision, we must invest, train and monitor :

Brumby Junior School - Vision for Physical Education

At Brumby Junior School our vision for Physical Education is that every child must have the opportunity to develop the physical confidence and competence to enjoy being physically active. This will allow our children to develop into thriving, physically literate individuals who have the skills, knowledge and attitudes to make an informed choice to decide which activities they would like to continue participating in in later years. It is our vision for this to lead to a life-long passion of being physically active.

We must strive to give as many children as possible the opportunity to participate in a variety of competitive sports during their school life, giving them the prospect of understanding what competition feels like, what it is like to be part of a team and to be able to both win and lose with equal grace.

It is also important that our children 'learn to be adults' and therefore we offer all of our children the opportunity to lead activities, plan activities, feedback on performance and understand the steps to improving performance in their school life. Activities which require leadership give children the understanding of what it is like to have responsibility, to show respect for rules and brings the added challenge of organisation, communication and teamwork.

We are certain that all these opportunities will help our children to develop into well-rounded and balanced individuals who thrive in modern life.
