Dear Parent/Carer,

The government have recently released guidance for schools regarding the permission slips used to gain consent for school trips.

The result of this is that we can now ask for **1 letter to be signed which gives permission for any trip** which takes place during your child's time with us at Brumby.

We would still inform you of every trip which takes place, but we would not require reply slips to be returned to school – something which costs a great deal of administration time. We would, of course, ensure that parents would always know when their child is due to go on a visit.

The letter itself is on the reverse of this piece of paper. Please complete it and return it to your child's class teacher as soon as possible.

Yours Sincerely

A handwritten signature in black ink, appearing to read "P Foster", is positioned above the printed name.

Mr P Foster
Headteacher

Consent form for school trips and other off-site activities

Please sign and date the form below if you are happy for your child>:

- a) To take part in school trips and other activities that take place off school premises; and
- b) To be given first aid or urgent medical treatment during any school trip or activity.

Please note the following important information before signing this form:

- The trips and activities covered by this consent include;
 - all visits (including residential trips) which take place during the holidays or a weekend
 - adventure activities at any time
 - school trips during the school day
 - off-site sporting fixtures during the school day
 - off-site sporting fixtures outside the school day
- The school will send you information about each trip or activity before it takes place.
- You can, if you wish, tell the school that you do not want your child to take part in any particular school trip or activity.

Written parental consent will not be requested from you for off-site activities offered by the school – for example, year-group visits to local amenities – as such activities are part of the school’s curriculum and usually take place during the normal school day.

Please complete the medical information section below (if applicable) and sign and date this form if you agree to the above.

Medical information

Details of any medical condition that my child suffers from and any medication my child should take during off-site visits:
