

Ice and Snow rules

Ice and snow are normal parts of our winter weather. They can both be really exciting and fun, but can also be dangerous too. We want children to be able to enjoy the winter weather safely, so these are our winter weather rules:

1. Be really careful on ice and keep off the coned areas.
2. If the whole playground is really icy, then do not run around because you might slip on “black ice”. We will bring children inside on these days.
3. If children are deliberately sliding on the ice they will be warned. If it continues, then they will be sent inside to keep them safe.
4. Making giant snowmen is ok. Throwing snow is not.
5. Wrap up really warm!
