Information letter: March 2016

New School Building

We are now only three weeks away from our move to the new school building. We now have further information about the opening of the new build and phasing of the demolition process:

Opening times: The new build will be opened in two phases.

Phase one: April 13th: is the opening of the new school building itself, but no outdoor yard space due to the demolition of the old building. This phase will last from April to late May/early June.

Phase two is the opening of the outdoor yard space, the field, the new car park and electronic gates. This phase will be after demolition has finished in June.

Access to the school site: April 13th to late May 2016

Pupils arriving for school will enter the school site through the main entrance at Outwood Academy on Cemetery Road. We will have access to their netball court, which will be our playground for 3 months. We offer huge thanks to Outwood for their generosity with this!

There will be no pupil access through the main school entrance on the Queensway. This entrance must only be used if the Outwood entrance is closed: this will only happen if pupils arrive after 8:55 a.m. This measure has been taken under advice from the council and highways agency with the goal of keeping pupils safely away from the demolition site.

Please do not arrive for school before 8:20 am, as pupils and parents will have to wait on the pavement outside Outwood Academy until 8:20, which is when the secondary pupils go to their lessons. We can then start to let our pupils through the secondary school site. Please see the map on the reverse of this letter.

Thank you for your continued support with these changes. In three months it will all be worth it!

Brumby's Last Evening: open event—reminder

Due to the sheer amount of requests we have had, we will be opening the school to visitors, parents and former pupils on the last day which it will be open: Tuesday 22nd March 2016, from 4 p.m to 5:30 p.m. Please come along to reminisce and remember your time, or that of your children, at the school. We will be providing tea, coffee and biscuits, and current pupils will be on-hand to show you around too. We are inviting the press and former pupils too, so keep your eyes open for the official invites and items in the press and on Facebook.

Staff changes

We are always upset to see our great staff move on, but it is with great sadness that we announce that Mrs Buckley will be leaving us at the end of the month to take up a promotion elsewhere. Mrs Buckley has been a great servant of the school since 2007, and her bubbly, infectious nature will be sorely missed, as will her superb teaching skills. Her classes will continue to be taken by Mrs Bagley and Mr Tait. We wish her the best of luck and offer huge thanks for the great work she has done for our pupils.
