Dear Parent/Carer,

You may remember that, this time last year, we consulted parents about moving the opening and closing times for the school. Due to a very low number of responses received, we were unable to clearly see how parents felt about the proposal: only around 25% of consultation slips were returned.

The reasons for a potential move centre on the opening times for other local schools, including Bushfield, Frodingham and Outwood, and also safety in winter months. From conversations with staff at those schools, and parents on the school gate, we feel that there is a strong enough case for moving the school day to the times shown below:

	Current	Proposed new timings
School opening	08:55	08:45
School closing	15:15 (3:15 p.m.)	15:05 (3:05 p.m.)

As you can see, we would basically be starting the school day ten minutes earlier, and then finishing ten minutes earlier too. This may, of course, have positive and negative effects on parents who work, or have to pick up pupils from the infant schools. Early feedback from staff at the infant schools and the small number of parents to whom I have spoken suggests that it would be a positive change, but we are keen to put the consultation out to all interested parties before any decision is made by the school governors.

Please tick your preference below, and return the letter to the school office.

I support the proposed changes to the school day (8:45 am to 3:05 pm)	Please keep the school day as it is (8:55 am to 3:15 pm)
