Headteacher: Mr P Foster

Dear Parents / Carers,

We would just like to thank you for all of the help and support you have provided with our first homework project on America that the children worked on last half term. It was a huge success and we have been overwhelmed by the time and effort that many children (and their families) have put into producing some really spectacular projects. It was such a pleasure to see how proud the children were of their achievements as they shared them with others in our special showcase event.

We look forward to seeing what they produce in our next project for this half term that will be given out shortly. This will be due in after the Christmas holiday to ensure everyone has plenty of time to complete it. Miss Hillman's homework club is available every Wednesday and Thursday lunchtime for support and advice or just a bit of extra time on your project.

On behalf of all year 5 teachers and staff, many thanks for your continued support.

Mrs Wood

Year 5 Leader
