## SATs Revision Books

Dear Parents/Carers,

During the next few days, your child will receive two workbooks which will be used to support them in revision and preparation for the test that will take place in May.

Your child will be set a weekly homework task in the book which will be linked to the learning that has taken place in class.

As these books have cost a significant amount we would like to stress the importance of looking after them. Pupils will be expected to bring them to school every day and complete the homework set by the teacher. Any lost or damaged books will need to be paid for. The cost of replacement is £2 per book.

In previous years it has been proven that children who use these books at home to help them with revision make more progress than those who don't. Can I take this opportunity to remind you that Year 6 run a homework club every Tuesday after school. If your child wishes to join please ask them to collect a letter from Mrs Antrobus.

Yours Sincerely,

Mrs Nicholson  
Year 6 Leader
