School trip online payments update

Dear parents/carers,

I am pleased to be able to inform you that you can now use ParentPay to pay for your child's school trips.

You will need to login to your child's ParentPay account as you do when you pay for their school meals. If you need these details sending home again please ask your child to come to the school office or you can contact us. If your child is entitled to free school meals they will still have details to login to a ParentPay account.

When you login you will see your child's trip under payment items, view details and add to basket then make a payment. You will still need to give your consent for your child to go on the school trip, so please complete the consent slip at the bottom of the trip letter and return to school, without the permission slip your child will not be able to attend the trip.

All payments made towards a school trip are a voluntary contribution, however, if enough funds are not raised the trip may not go ahead and will be cancelled.

Kind regards

Mrs Jacklin
Business Manager
