Headteacher: Mr P. Foster

1<sup>st</sup> March 2017

Dear Parent/Carers,

In accordance with the school's policy on sex education, year five will be having a short series of lessons covering the physical and emotional changes that take place during puberty. The unit of work also sensitively addresses love, conception and the development and birth of the baby.

These sessions will take place in the near future.

As is expected in these cases, parents occasionally have questions and concerns about the content of the sessions. This is understandable and normal. If you feel that you would like to discuss the content of the programme in more detail, then please contact the school office and make an appointment with your child's class teacher.

Yours sincerely,

Mr Foster  
Head Teacher
