Headteacher: Mr P Foster

Dear Parents / Carers,

Thank you for all of your support in our first few days in Year 3, the children have made a great start to their new school. We have a few important pieces of information for you about year 3:

- Home time arrangements – please ensure your child is aware of who is collecting them and from which entrance on a daily basis to avoid any confusion and upset for the child.
- PE days – please ensure your child has their full PE kit so that they are able to participate in an indoor or outdoor PE lesson depending on the weather etc
-Classes 3ET and 3EJ – Wednesday - Classes 3JW and 3HS - Friday
- School uniform – we encourage children to have their names clearly displayed in all items of school uniform and PE kit to avoid losing items. Without this system, it is very difficult to recover items with so many pupils.
- Inhalers – if your child uses an inhaler they must have it in school with them everyday and this will be kept in the classroom with their belongings to ensure it is accessible throughout the day
- Reading books and reading records – we will be providing your child with their new school reading book and record shortly that they must bring to school every day. We ask for you to support them with their reading at home for a minimum of 3 times per week then use their reading record to show the date, any comments and a signature of whom they have read to. Records will be checked by staff on a weekly bases.
- Spellings and homework will be given weekly by class teachers, please support your child to complete this at home but if you have any concerns or questions do not hesitate in contacting your child's class teacher who will be happy to help
