Dear School

The RDaSH vaccination team will be shortly coming into your school to vaccinate children in Reception, year 1, 2, 3 and 4 against FLU.

To help us improve the uptake of the vaccination this year, we are introducing a school awards scheme. Schools will be awarded either a Bronze, Silver or Gold certificate based on the number of returned consent forms to school. Those schools achieving a Gold certificate each month will also be listed on our vaccination team Facebook page. The team endeavour to enable parents to make an informed choice and therefore we will also be including returned refusals as this enables us to understand parents views and plan future educational campaigns. If you or any of your parents would like any further information about this year's flu programme please contact us on: 01302 566776. Thank you for your continued support we look forward to working with you.

Kind regards

The Vaccination Team
