Dear Parents/Carers,

As part of our science topic on 'The Power of Machines' (which focuses on electricity and which connects with our novel 'The Iron Man'), a school trip to Magna (a science adventure centre in Rotherham) has been organised for the Year 4 pupils. The visits will take place on Wednesday 17th January and Thursday 18th January, and the arrangements for the classes are as follows:

Wednesday 17th January – Class 4KH and 4SF (previously 4JR)

Thursday 18th January – Class 4DM and 4AC

We will be travelling by coach, and shall be leaving school at 9.00 a.m. and returning by 3.05 p.m. on each of the days.

Whilst at Magna, the children will be exploring the discovery centre where they will gain hands-on experience of science and see fascinating displays in the four pavillions – Air, Earth, Fire and Water. They will also be engaging in a workshop 'The Big Circuit' which will be led by staff at Magna.

Your child will require a packed lunch on the day (no fizzy drinks or glass bottles please). Children who normally have a free school meal will be provided with a packed lunch (if your child has any special dietary requirements, please inform the school as soon as possible). Any medication which your child needs, and which you have completed school documentation for (such as inhalers) must be sent to school with your child on the day of the trip.

School uniform, including sensible, sturdy shoes, will need to be worn and a warm coat will also be required. As the centre is cold during winter months, extra layers of clothing will be ideal.

The trip will cost £9.00 per child (this payment covers the cost of entry to the science centre, the workshop as well as part payment towards transport costs). Spending money of no more than £5.00 is optional.

If you have any concerns, please do not hesitate to contact your child's class teacher or myself.

Yours sincerely,

K. Hargraves
(Assistant Headteacher)
