Headteacher: Mr P Foster

24<sup>th</sup> January 2018

Dear Parents/Carers,

This letter is to inform you that we are re-grouping the children in Year 4 for their maths lessons so that they will work with children of a similar ability. We believe that this will help them to meet the challenge and offer them the necessary support as we move onto some of the 'trickier' elements of the Year 4 maths national curriculum.

The groups are formed on the basis of where it is considered the children will be able to learn in a confident way, and therefore where they will make the most progress. As I'm sure you can appreciate, the children may be transferred between groups if necessary to ensure their immediate learning needs are always catered for.

Please contact your child's class teacher, or myself, if you have any concerns.

Yours sincerely,

K. Hargraves

(Assistant Headteacher)
