Headteacher: Mr P Foster

Dear Parents / Carers,

In year 5 this term as part of our science work we are studying 'Space and Beyond'. To enrich this experience for the children, we have organised an educational visit to Leicester Space Centre on Wednesday 13th June, which is an amazing place to visit to discover more and deepen our understanding of the Solar System. While visiting we will have the opportunity to explore the centre and participate in an exciting Planetarium Space show.

Due to the distance we will be travelling, we intend to leave school at the earlier time of 8.00am in order to give the children a full day of exploration at the centre. We will not be returning until 4.45pm. We therefore ask you to make arrangements to ensure your child arrives on time and returns home safely. Please indicate whether your child will be walking home or collected on the return slip below.

The children will be wearing their school uniform as normal. Children may bring a small amount of spending money to buy a souvenir from the gift shop (no more than £5.00 please) which they will be responsible for. Packed lunches will be required for the day (no glass bottles or fizzy drinks please). If your child is entitled to a free school meal, then a packed lunch will be provided for them.

School has heavily subsidised some of the cost of this trip therefore the cost to parents will be just £8.00. Please complete the slip below to give permission for your child to attend.

Yours Sincerely

Mrs A. Benson

(Year 5 Assistant Head)

Year 5 – Space Centre Educational Visit

Child's name _____ Class _____

I give permission for my child to attend the educational visit on Wednesday 13th June at Leicester Space Centre, leaving school at 8.00am and returning at 4.45pm.

I enclose £8.00 for the cost of the trip.

My child will be collected / I give permission for my child to walk home (circle)
