Headteacher: Mr P Foster

May 2018

Dear Parents/Carers,

**Ref: Thank you!**

Our time offering support to Brumby Junior School has come to an end. I'd like to thank all the pupils for the warm welcome I have received and for the hard work they have shown in their quest to do their absolute best. I for one, have seen a huge improvement in the pride they have taken in their handwriting and standards of presentation in books. I have seen many great examples of daily battles to achieve fulfilment.

One of the joys of teaching is the freedom of being able to encourage a love of learning. The pupils have not let me down in the short time I have been here, so many have demonstrated such positive attitudes to learning, challenge and embracing change; there have been numerous memorable occasions when I have felt deeply proud to have had the opportunity to be part of the Brumby family, thank you!

***To the Year 6 pupils, I wish to leave you with a little message - individual flair and a well-developed sense of responsibility to others can, and frequently do, co-exist. The key is to develop one's own talents to the benefit of society at large and I hope this will be a guiding 'light' as you move on to the next stage of your education.***

My sincere gratitude also goes to the Governing Body. Having worked in a few schools and visited several in various roles, I can truthfully say, this school is very privileged to have governors truly dedicated to whole school improvement; they volunteer a tremendous amount of their personal time to engage in all aspects of school life. Staff who also work tirelessly, must be commended for the good job that they do.

So, as you all prepare to embrace a new direction, my hope for you all is that of a smooth transitional phase, knowing that whatever educationist do, is always with the 'child' at the centre of it all.

I wish you and your families all the very best for the remaining of the Summer term, a great vacation and the future ahead.

Yours sincerely,

L Thorpe (Mrs)  
Interim Executive Headteacher
