Brumby Junior School – Year 6

Wednesday 23th May 2018

On Wednesday 23th May 2018, 119 Year 6 pupils from Brumby Junior School took part in a circuit of netball skills, and then competed against each other in a series of games. The event was supported by leaders from the Outwood Academy netball team in Year 8, who managed, judged, and completed scoreboards to make the event as successful as possible. The pupils had a fantastic time, showing off their talents in various passing, marking and dodging skills. Some of the staff even managed to show us what they could do too. In the end we celebrated the many successes of all teams with certificates going to all pupils. Medals were awarded to the individual team who achieved the best overall score in the games round. Congratulations to all the students on their excellent efforts during the skills teaching and the competition, Thank you to all the pupils, teachers and student leaders who made this a successful event.
