6th June 2018

Dear Parents / Carers,

As you are aware, Year 5 will be visiting the National Space Centre in Leicester on Wednesday 13th June.

Due to the distance we will be travelling, we intend to leave school at the earlier time of 8.00am in order to give the children a full day of exploration at the centre. Therefore we request that children arrive at school at **7.45am** and enter through the main entrance (using the Queensway entrance).

We plan to return to school at approximately **4.15pm** (earlier than stated on the previous letter). The children will be allowed to walk home alone if this was indicated on the reply slip. If you would like to collect your child, the coach will be dropping us off at the Cemetery Road entrance and you can meet your child there or you can collect them from the school office.

The children will need to wear school uniform. Children may bring a small amount of spending money to buy a souvenir from the gift shop (no more than £5.00 please) which they will be responsible for. Packed lunches will be required for the day (no glass bottles or fizzy drinks please). If your child is entitled to a free school meal, then a packed lunch will be provided for them. No electronic items will be allowed on the coach, but your child may bring a book, magazine or card game to use on the journey.

If your child needs to take travel sickness medication, please ensure that they have had this before they arrive at school. If they require a second tablet before the return journey, please make sure that they have this with them in an envelope or bag with their name on.

If you have not yet returned the permission slip from the bottom of the original letter, please can you do this as soon as possible (even if you have paid online).

If you have any questions, please contact a member of the Year 5 team.

Yours sincerely,

Mrs A. Benson (Year 5 Assistant Head)
